Wherever life takes you, we'll be right here, making sure you have the mobility and freedom to enjoy every moment.

As a recognised leader in the design and manufacture of portable scooters and powered wheelchairs, eFOLDi strives to help people rediscover their freedom and independence.

eFOLDi's award-winning mobility solutions are not only easy to store and transport, they help make travel simple and achievable – whether that's by air, land or sea.

Innovation

Our products are manufactured using the highest quality materials to ensure they're robust enough to withstand the toughest of conditions and terrain. Our frames are made from high-grade aluminium or magnesium alloys, our high-specification brushless motors deliver exceptional performance, and our batteries use advanced lithium-ion technology, so they're not only durable, they offer outstanding levels of reliability.
