

DVLA REGISTRATION – GUIDANCE NOTES (Using your eFOLDi Explorer (MK1.5) Scooter on the road)

If you want to use your eFOLDi Explorer (MK1.5) Scooter on the road you'll need to register it as Class 3 Mobility Scooter with the DVLA. We've put this guide together to help you register your scooter.

You will need the V55/4 form which you can download from our website and a Certificate of Newness which will have been supplied with your scooter.

There is no charge for registration and your eFOLDi Explorer (MK1.5) Scooter will not be required to display number plates (though a vehicle registration will be supplied on your registration document).

You should also consider having your vehicle insured for use on the public highway. While there is no legal requirement to carry insurance we strongly recommend all scooter users have suitable insurance to protect themselves, their scooter and other road users.

1. The V55/4 Form

In order to register your eFOLDi Explorer (MK1.5) Scooter with the DVLA, you will need to complete the V55/4 Form. If you have downloaded this from our website we have already completed some relevant sections for you, so all you need to do is complete the following sections only (marked with a red 'X'):

Original Dealer – Enter the Dealers name and address where the scooter was purchased.

(page One, just underneath section 57)

Section 60 – Enter your name and address together with your contact details.

3. Certificate of Newness

Your eFOLDi Explorer (MK1.5) Scooter has been supplied with a 'Certificate of Newness'. It has the unique Frame number of your scooter on it. This must also be sent along with the V55/4 form to DVLA. If you do not have this Certificate please contact your dealer or Suntech UK directly (if purchased from us)

4. Stamped and Self-addressed Envelope

If you have supplied original documents as proof of identity and wish these returned you must include with your application a pre-paid envelope for the return of the documents.

5. Sending the Forms to DVLA
