Why eFOLDi stands apart

Lightweight

Carry and lift with ease

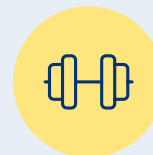

Warranty

Backed by full support & warranty

Compact

Folds down to 'hold' luggage size

Robust

Peace of mind with strong, durable materials

Innovation

Our products are manufactured using the highest quality materials to ensure they're robust enough to withstand the toughest of conditions and terrain. Our frames are made from high-grade aluminium or magnesium alloys, our high-specification brushless motors deliver exceptional performance, and our batteries use advanced lithium-ion technology, so they're not only durable, they offer outstanding levels of reliability.

Ideal For: Those with mobility issues who prioritise extra comfort and ease, looking for a power chair that supports their everyday travel needs with added convenience.

The lighter way to empower your life

The perfect blend of uncompromising style, portability and versatility

"Being so lightweight and portable, means my eFOLDi really helps me and my wife make the most of our holiday getaways, at home and abroad."

James, Verified Buyer 

Lightweight, comfortable, quick and simple to fold... the Navigator combines it all.

- Easy to use, ultra-portable folding powered wheelchair
- Weighing only 12.4kg*, it's one of the world's lightest, folding powerchairs available
- Folds in seconds, fits into most car boots and is 'Airline-safe'
- Ergonomically designed user controls, plus integral attendant control for total peace of mind
- Advanced, high performance battery technology with on- or off-board charging options

Accessories

Make every journey easier with thoughtful extras designed for your comfort and convenience – from additional cushions and attachments to spare batteries and chargers.
